Re le Alliance Group Investment Holding Company, eo eneng e tsebahala ka Alliance Insurance Company, re le memme koano ho tlo fetisa molaetsa oa Bohlokoa ho Basotho ka kakaretso.

The past 2 years has proven to be challenging in all aspect of life, it was then that Alliance stayed true to its slogan of Always there for Basotho, because we understood that this was not normal, and we needed to extend a helping hand to Basotho. If there was ever a time that we needed each other, it is now.

In 2020 and 2021, we took an initiative to plough back to the very nation that supports us and has been supporting us for more than 28 years.

- We provided a Covid-19 relief or Premium holiday of M2,8 million in that year, which provided a relief to more than 800 Basotho over a period of 12 months, and this was under Funeral policies only.
- We also provided 2000 street Vendors with a capital funding to the value of M800 000.

- We assisted all registered orphanage homes with food packages of more than M250 000.
- Provided Basotho with more than 25000 masks.
- Partnered with Letsoele le Beta Poho to provide Basotho with Covid 19 Vaccine worth of M1.5 million.
